 Keep the Power Supply away from heavy vibration, moisture, dust or excessive heat.  
 Always place the Power Supply on a stable, flat surface and ensure adequate ventilation.

## Product Warranty

MUCHMORE RACING warrants their Power Master mini to be free from defects in material and workmanship for a period of 120 days from the date of purchase. This warranty applies only to the original purchaser. MUCHMORE RACING (or their associated distributors) will repair or replace without charge, or refund the purchase price of any product which fails during the warranty period by reason of defect in material or workmanship found upon examination by MUCHMORE RACING to have been the cause of failure. This warranty does not cover any failures attributable to abuse, mishandling, failure to follow operating instruction, alteration or accident. To make a claim under this warranty, the purchaser must return the product to MUCHMORE RACING (or the relevant Countries associated distributors) at the address shown right side, properly packed and with shipping charges prepaid. All claims must be made within thirty (30) days from the product failure and, in any event, within thirty (30) days of the expiration of the 120 day warranty. All claims must be accompanied by a sales slip or other written proof of date of purchase. The maximum repair costs for any failure caused by the purchaser are 50% of retail price (original purchase price). Since we cannot supervise the proper use of our products, we can not accept any liability for direct or indirect damage of any type arising from their use or occurring to the property of the user and/or third parties. Therefore, any use of this product shall take place at the user's own risk. The warranty claim may not exceed the value of this product in any case. By putting this product into operation you accept the above conditions and assume full responsibility for use of this product.
